

In addition to this short script presentation, here are a few bonus ideas that you may consider.

GENEALOGY LIST

Purchase a genealogy list of MLM names and phone numbers. There are many reasonably priced lists on the internet. Pick the ones that fit your budget. Use this list to make contacts and calls.

DO IT DAILY

If you are a full time or part time networker, schedule a specific amount of time to call as many prospects as you can. Formulate a habit of making your calls every single day.

IT'S A BUSINESS

Treat this like a business. That is what it is; your home-based business.

Here is American Bill Money's website and my personal website. We both have a commitment to assist you in your success.

GREETINGS,

As networking professionals we realize, more than most, the countless methods involved in marketing, prospecting, and selling our products. Even though we are familiar with the standard methods - **mail, face to face, internet, and phone** - it's still possible to hit a stumbling block.

To assist you in producing more sales, I'd like to give you some strategies for making the most of using the **phone**.

American Bill Money has many support systems in place to maximize your networking business. With this additional help, you should certainly be able to increase your productivity.

TELEPHONE SCRIPT

Here is an example telephone presentation:

Hi _____ my name is _____. The purpose of my call today is to ask if you would be interested in making more money with **American Bill Money**. I invite you to call a toll free number 1-800-617-5340 and listen to the 4 short recorded messages about this terrific money-making opportunity. They will explain everything you need to know about this fantastic program and, of course, if you have any questions call me at _____

After you have listened to these powerful messages, I'm sure you will be anxious to get started with **American Bill Money**, just as I was.

To join me and get started earning money with the best compensation pay plan in network marketing, plus residual income, call one of the live operators at 757-455-3551 and order the deluxe package for \$125.

Tell the operator my name is _____ and give her my ID# _____. If you have any additional questions call me at _____.

Let's focus on phone use. The

purpose of using the phone in your business is to make sales.

Though many may try to make this process more difficult than it is, I'm going to show you a concise, yet effective method of presenting **American Bill Money** that is time and cost effective, while giving you a simpler way to get sales.

Everyone needs help, ideas, and even a little **push** now and then. I'm confident that, with a helping hand, you will obtain success beyond your wildest dreams.

Let's build our dreams together.
